FOREWORD

Like the piercing rays of the beacon for which our annual is named, our school has become a symbol of Hope lighting the way to the Harbor.

For the students who travelled this way, for the faculty who guided their path, and for our parents, the *Lighthouse* staff has tried to capture in these pages the glimmer of the events of this year that in memory they may shine again. We want our friends to share these memories with us.

Paradise Valley

The heritage of the Church is its youth, and the mightiest challenge that can come to the Church is their education. To educate the youth is to direct the future of the Church.

Believing the school to be a Christian Harbor for their children and youth, the members of the various churches have sacrificed financially in the recent school expansion program.

La Mesa

Chula Vista

Churches of our area, we, your youth, gratefully thank you for your contributions, your faith, your prayers, your love. As an expression of our appreciation, we dedicate to you our 1957 Lighthouse.

A builder builded a temple,
He wrought it with grace and skill;
Pillars and groins and arches
All fashioned to work his will.
Men said as they saw its beauty,
"It shall never know decay.
Great is thy skill, O builder:
Thy fame shall endure for aye."
A teacher builded a temple
With loving and infinite care,
Planning each arch with patience,
Laying each stone with prayer.
None praised her unceasing efforts
None knew of her wondrous plan,
For the temple the teacher builded
Was unseen by the eyes of man.
Gone is the builder's temple,
Crumpled into the dust;
Low lies each stately pillar,
Food for consuming rust.
But the temple the teacher builded
Will last while the ages roll,
For that beautiful unseen temple
Is a child's immortal soul.

ADMINISTRATION

Mr. and Mrs. Denman, Joan, Alden and Roger.

PRINCIPAL'S MESSAGE

The Denmans have been with SDUA three years. Since 1927, when Mr. Denman received a diploma in business administration from Union College, he has held administrative and teaching positions at Maplewood Academy, Southwestern Junior College, and at various high schools in Nebraska and Iowa.

Their oldest son, Alden, is a sophomore at the College of Medical Evangelists School of Dentistry. Their daughter, Joan, is a supervisor at the White Memorial Hospital. Roger was a sophomore at SDUA this year.

The fact that Mr. Denman holds the Gregg Expert Medal in shorthand can be understood because typing and shorthand are his avocations. The Senior Class has enjoyed having him as one of their sponsors this year.

We faculty members are sincerely interested in the students of our academy. We feel a definite and serious responsibility as to our part in molding and developing the attitudes, talents, and behaviour of the students.

Our fervent hope is that we have helped you to be earnest and thoughtful in arriving at decisions, firm and fair in your convictions, considerate of your fellow men and of their beliefs, decisive and logical in organizing your future plans, calm and unruffled in the moments of stress that will come to each of you. May you always have a wholesome and keen sense of humor.

The main purpose of Christian education is not knowledge, but redemption. We are told that, "in the highest sense, the work of education and the work of redemption are one."

May the Lord richly bless you from day to day.

MARION J. DENMAN

Under the capable leadership of this administration, SDUA has seen considerable progress during 1956-1957. A sixty thousand dollar expansion program has included the following projects:

Construction of two elementary classrooms to accommodate seventy additional students.

Construction of an academy chapel with a seating capacity for 175 students.

Permanent location of library with work room and Annual room.

New library accommodations including book stacks, tables, and chairs.

Securing of science laboratory table for eight students; purchase of two duplicators, and four sewing machines.

Purchase of a new fifty-four passenger bus.

Landscaping of campus areas.

Since then he has served as Bible teacher at Loma Linda Academy and as Principal of Modesta Union Academy.

Elder MacIntyre received his B.Th. from Atlantic Union College, his B.A. from Washington Missionary College, and his M.A. from the Seventh-day Adventist Theological Seminary.

This year he had the honor of officiating at the wedding of his daughter Carolyn. His daughter Linda, who graduated at SDUA in 1954, is a nursing student at the College of Medical Evangelists.

He supervised the student seminar and was co-sponsor of the A.S.B. and the American Temperance Society Chapter.

Mrs. Westermeyer has the distinction of being the senior member of the faculty, having been with SDUA fourteen years.

She graduated with a Normal degree from Lodi Normal Institute in 1941. She obtained a Speech degree from Union College in 1918 and her B.A. from the same institution a year later. Last summer Mrs. Westermeyer completed work on her M.A. with a major in English.

Mrs. Westermeyer has two sons, one of whom has followed her in the teaching field. He teaches instruments at Thunderbird Academy. The other son is an auditor for the Western Electric Company. Her daughter, who taught our chorus in 1953-54, and her son-in-law are missionaries in Ceylon.

VICTOR JOHNSON, B.Mus. (and Peggy Bourdeau)
Band, Orchestra, Chorus, Instrumental

Mr. Johnson has taught at S D U A the last ten of his thirty-five years as a music teacher. Previously he was with the music department of Walla Walla College, Washington Missionary College, and Lynwood Academy. Mr. Johnson received his B.Music from the Don Unschuld University of Music in 1932. He specializes in viola and violin and has taken an extended course in cello under Stephen Deak. Mr. Johnson has organized a superior band and orchestra at S D U A. Besides rehearsing special musical groups and teaching private students, Mr. Johnson also found time this year to direct the chorus and teach a directing class. He has two sons, one of whom is entering medical practice. His other son is an assemblyman at Rohr Aircraft Company.

This is Miss Swinney's first year of teaching at S D U A. She has earned the love and respect of the students. Miss Swinney graduated from Pacific Union College in 1953, receiving her B.A. in Music Education. Before she came to us, she taught piano and voice at the nearby San Pasqual Academy.

For two summers Miss Swinney has taken choral and other musical courses at P.U.C. under Alfred M. Greenfield, head of the music department of New York University.

MILLIE ADAMSON, M.A., Spanish, English, Home Arts

Mr. Miller completed his college work at Washington Missionary College in 1947 with a B.A. in Business Administration. Previous to his arrival here, Mr. Miller taught eight years at Golden Gate and Mount Vernon Academies.

Also on the faculty of S D U A is his wife, who teaches the fourth grade. Their son, Larry, graduated this year from the eighth grade.

Mr. Miller's hobbies include ice-skating and playing the saxophone and the harmonica. Mr. Miller was chosen for Junior Class Sponsor.

DWIGHT H. MILLER, B.A., Accountant, Bookkeeping Physical Education

Mrs. Adamson received her B.A. from Pacific Union College and her M.A. by taking post-graduate work at the University of California. She has spent twenty-six years in the teaching field—five of which have been given to S D U A

Her understanding of young people accounts for the close relationship between Mrs. Adamson and her students. Her hobbies are verse-writing, embroidering and cooking. Mrs. Adamson's daughter Beverly, who graduated from S D U A last year, was a student at La Sierra College.

Mrs. Adamson was chosen by the Senior Class to be one of their Sponsors.

Bess Rhodes Williams graduated from La Sierra College in 1955 with a B.S. in Secretarial Science. Before joining the faculty of S D U A, she taught in the secretarial department at La Sierra. Her responsibilities of posting tardinesses and absences, distributing grades and recording demerits did not make her unpopular, and she was chosen to be one of the Junior sponsors.

Mrs. Williams' hobbies are camping and collecting arrow-heads. Her ambition is to assist her husband, Clifford, through an engineering course.

BESS RHODES WILLIAMS, B.S., Registrar, Typing, Shorthand

Mr. Davis has devoted his entire teaching career of six years to our Academy. After receiving from La Sierra College his B.A. with a major in Art, Mr. Davis gave seven years of service to Boulder Sanitarium. From here, Uncle Sam called him to Europe where he worked in a general hospital for over two years. Then he came to us.

Mr. Davis' hobbies range from bird study and tennis to radio and cars. The family pride and joy is their new Volkswagon. There are two daughters in the family—Marcia in the first grade, and Judy in the fourth.

Mr. Davis hopes to take additional work at some future time in engineering.

Mr. West's hobbies are model airplanes and flying. The West family includes his wife Ruth, who is also a teacher, and their two children, Arthur and Lora. They recently purchased a new house, the first home they have owned.

Mr. West has proven himself a capable sponsor of our A.S.B., supporting enthusiastically all its activities.

SAM WEST, B.A., Science, Mathematics, Physical Education

Mrs. Detlefs completed her business education at National Business Training College in Sioux City, Iowa, in 1927. Subsequently she has held secretarial positions in various offices, including service in a law office in a little Dutch town of Iowa.

Having come from a family of eleven children, Mrs. Detlefs enjoys the company of young people and has derived much pleasure from the six years of her association with the students at S D U A

When time permits, Mrs. Detlefs' diversions are reading, music and travel. Her great source of inspiration is found in the text of Scripture, "All things work together for good to them that love God."

MARGUERITE DETLEFS (with Dorothy Dick and Suzanne Purdy)
Cafeteria, Office

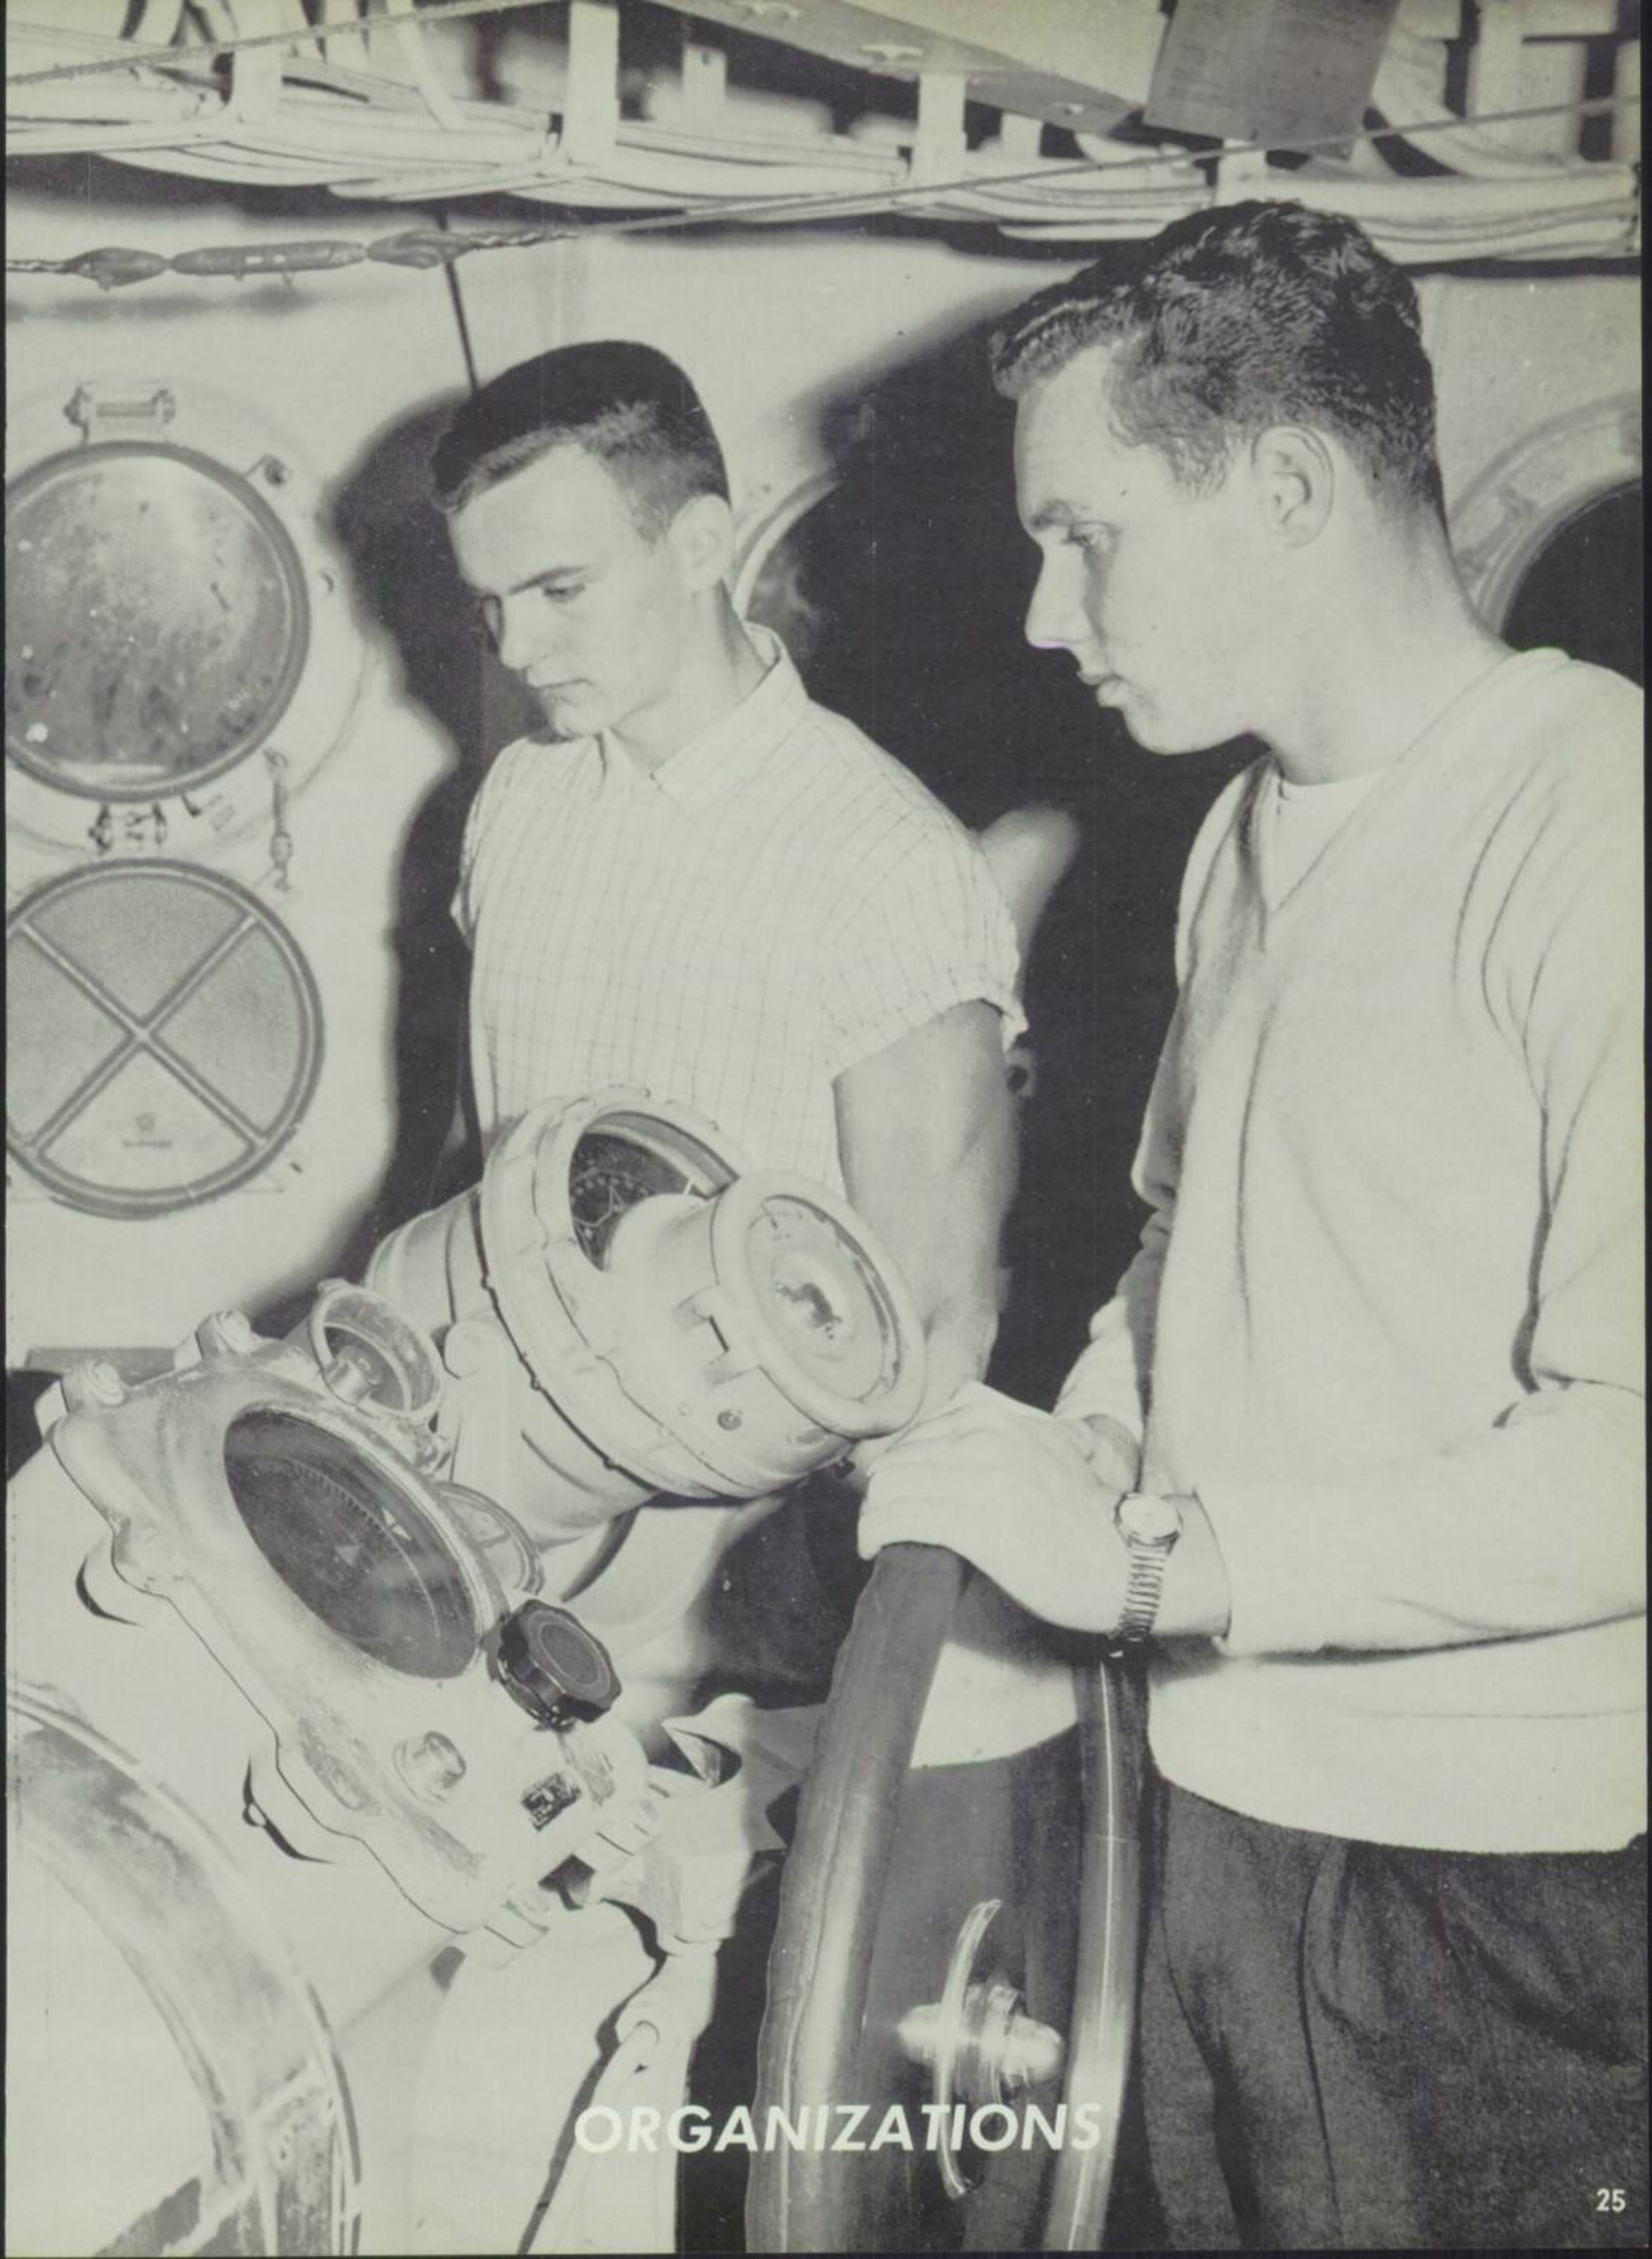

W. F. DETLEFS, Custodian

Mr. Detlefs has been not only our custodian for the past six years, but also the supervisor of student labor for the twenty-five classrooms and spacious lawns of S D U A's plant. Mr. Detlefs worked for eighteen years at Allied Laboratories in Sioux City, Iowa, before coming to us.

His ambition to see his sons secure an adequate education is being realized. One son graduated from Iowa State College at Ames, Iowa and is now with the IBM; the other one was honor student of his class at Purdue University and also the youngest law student to graduate from the University of Iowa. Mr. Detlefs' wife is our office secretary and their son Jimmy graduated from the 8th grade this year.

Mr. Detlefs has found considerable satisfaction in photography, an outside interest.
